**SUBJECT: Altar Servers "Traininee" Schedule**

1. The training schedule for the "traininee(s)" is a schedule I would like to remain as is, if possible. I will have trainees serving Tuesday, Wednesday, Thursday, Friday. After their weekly training, trainee will be serving on a Saturday or Sunday. They will average at least two(2) weekend masses with a qualified "trainer". This will allow me to observe and make adjustment if need be. A few of the trainees serving during weekend masses WILL NOT correspond to your regular Mass attendance. Please be patience during this training period.

2. Parents are asked to assist me by having trainees available during the weekday and weekend scheduling. During the practice session please have trainees available at least 30 minutes before Mass start.

4. If unable to drop off or return home, parents are "asked" to allow me to transport their child OR parent may drop off and permit me to transport them home OR parents may remain at Church to observe the operation.
